There's lots of news in this issue, please take a few minutes to read it all!

~Thanks to all of you who donated to and attended the bazaar. That's such a big day for all of us, we appreciate all you do. Money raised at that event is appreciated by the residents as we use it for activities.

~December is such a busy month! Please stop in and join us. You're always welcome to assist with an activity, too. Volunteers for addressing Christmas cards, manicures or reading are never turned down!

~**RSVP by noon on Fri., Dec. 19 for the holiday dinners** (Christmas Eve through New Year's). Thank you for spending the holidays with the residents. They so appreciate the time you take to say hello.

We discovered that used greetings cards with flat fronts make dandy recipe cards! We had fun with our creative skills and some new rubber stamps. We sold the recycled cards at our bazaar. The bazaar was a great event. We love to have visitors!

Thanks to the volunteers who worked at the bazaar, making crafts, setting up, we appreciate all you do for us.

Merry Christmas to all of you. Thank you for all you do. We are grateful that you've shared your family with us.

December Highlights:

On Thurs., Dec 3 at 1:30 pm, we will be starting to address Christmas cards. If you have some time that afternoon, we'll love to have you join us.

Community Coffee will be Monday, Dec. 7 at 10:00 am. Please join us!

We have Christmas activities all throughout December. You're always welcome to come and lend a helping hand.

Our New Year's Eve Party starts at 11:30 am on Wed., Dec. 31.

Dear Santa,

Don't know what to give? Give Jeanne or Julie a call. We have a list of what each resident needs. (They may already have an afghan, but may need new undershirts!)

How about a perm (or a haircut) for Christmas! For a gift certificate for hair care services, please ask us!

Need more ideas? Good smelling lotion, fun bright colored socks (marked, please!) cologne/after shave are items that all the residents enjoy.
