## Thank you, Thank you, Thank you!

We received so many wonderful gifts this Christmas, I hope we remember to thank everyone! The Varina Jr. Auxiliary decorated our residents' doors with ribbons and bows. It looks beautiful. The sophomore students at Pocahontas Area High School sent us Christmas cards, the preschoolers and students from Pocahontas Catholic made us decorations, too. For a year's worth of Bingo, popcorn, and to our sing-a-long volunteers, we thank you.

Thank you for the holiday goodies, the smiles, the hugs and the thank you's. We love taking care of your family members, thank you give giving us the opportunity. They're like family to us, too!

The top two photos at right are of the preschool visit. They have a way of making all of us smile! The picture below is from one of the Catholic school visits. We love to have them come, and their blessing song helps us remember the reason for this season.

We wish all of you a wonder 2010.
